Newly Renovated Quaint Cottage - Live In or Invest In

This Quaint Cottage has been fully renovated with new paint work, bathroom, kitchen, and polished floors.

The entrance room makes for a nice sitting room or office. This leads onto the open plan lounge dining which is defined by ornate timber work. The kitchen has plenty of cabinetry with a brand new stove and dishwasher.

The bathroom is spacious, complete with a bath. The back area houses the laundry and is perfect for additional storage or an undercover area for your doggie. The paved courtyard is a lovely alfresco area offering privacy with high fences and foliage. A garden shed has been installed for your gardening needs.

The front yard is also paved, therefore a low maintenance garden with a gara-port with an electronic roller door.

A great central location in a quiet lane.
